What is the

## FOUNDATION

1 John 1:1-9 of YOUR Life?

PROBLEMS

**EROSION** has set into the life of the church

Commitment to the gospel has **FADED**

 Boredom has replaced **EXCITEMENT**

The **BRIGHT** flame of **DEVOTION**  has been reduced to a flicker

The answer to the question is Important!

If we think about the **END** it changes the way we live **TODAY**

Finding **JOY** will change the **LIFE** that we live!

**JOY** comes From how we choose to **RESPOND**

NOT from our circumstances

acceptance, contentment, thankfulness

Disappointed, Disillusioned, Discouraged

Jesus bridges the gap between **HERE** and **ETERNITY**

Set it on what we **KNOW** to be **TRUE** not what we want

**CHOOSE** and be **Jesus** **TRANSFORMED**

Join in Fellowship to Restart the cycle with others

Does the life we live **REFLECT** That Jesus is in control?
